

Saul Perez

MILITARY TRANSITIONAL LIAISON
SWIFT TRANSPORTATION

Mr Perez is currently the Military Transitional Liaison at Swift Transportation, a multi-billion dollar publicly held company, operating over 17,000 trucks throughout the continental US. Swift is providing 1,000 full scholarships to Veterans to attend a Swift Academy of their choice. The transportation leader is offering full scholarships to veterans with a 1-year commitment, as well as a \$1,000 tuition discount to Selective Reserves and National Guard with a 1-year commitment. Through the Swift Veterans Scholarship program, the company hopes to gain long-term, dedicated, and loyal Swift family members that can grow and develop as they help Swift on its continuous journey toward Best-in-Class. While Swift has offered partial scholarships to veterans for several years, this is the first time they are offering full scholarships.

In addition to his position at Swift, **Mr. Perez** also works as a linguist for Conduit Language Specialist (CLS) where he is contracted to monitor live wire taps from Spanish to English for Federal, State and City agencies for CLS. The position requires constant cross-referencing and reviewing prior calls throughout the case to determine/understand the meaning of certain words used in conversation.

Mr. Perez also has a background in Human Resources, Recruiting, and Training. For three years, beginning in 2005, he worked for SelectBuild where he provided leadership to HR Departments in multiple locations, supporting several thousand employees.

Mr. Perez is a Marine Corps Veteran of 21 years and holds a Bachelor of Science degree in Criminal Justice Administration from the National University in San Diego, California.
